## PROFILE

Aspiring Front-End Developer skilled in HTML5, CSS3, Bootstrap, JavaScript, REST APIs and React.js. Experienced in building responsive and user-friendly web interfaces. Passionate about learning and creating clean, performance-driven designs.

## PROJECTS

### PK7 Education

Technologies Used: HTML5, CSS3, Bootstrap, JavaScript

- Designed and developed a responsive educational website for PK7 Education.
- Created interactive UI using Bootstrap components and JavaScript DOM manipulation.
- Ensured mobile responsiveness and clean user interface across devices.
- Used semantic HTML and modular CSS for better maintainability.

### Login System with Local Storage

- Developed a 3-page web application with Signup, Login, and Home functionality.
- Implemented form validation and stored user credentials securely in Local Storage for persistence.
- Built using HTML5, CSS3, JavaScript (ES6+) / React.js.
